edTPA General Checklist 2018 Name:_____ Handbook:_____

1. I know what I want my students to learn during the edTPA learning segment.

| Yes | No | Maybe |

2. I have determined how many lessons it will take for my students to achieve the learning goal(s). This many lessons are reasonable to meet my learning goal(s).

| 3 | 4 | 5 | IDK |

3. I have identified grade-level academic standards for my learning segment.

| Yes | No | Maybe |

4. My central focus is an explanation of what my students will be learning throughout my learning segment.

| Yes | No | Maybe |

5. I have a language function that I will use and my students will use during the learning segment. What is it?

| |

6. I have used the language function within my central focus.

| Yes | No | IDK |

7. My lesson plan objectives are clearly defined, measureable and are sequenced to move the learners toward the learning goal(s).

| Yes | No | Maybe |

8. I understand what a personal or community asset is, and have identified different assets that I will use during my lessons.

| Yes | No | Maybe |

9. My assessment plan is clear and will allow for measurement of the lesson objectives.

| Yes | No | Maybe |

10. I know how I will explain and show evidence of my students prior learning leading up to the learning segment.

| Yes | No | Maybe |

11. I know the individual needs that my students have and the modifications and accommodations that commonly help them.

| Yes | No | Maybe |

12. My have brainstormed activities and assessments that are challenging for my students. I have more challenging ones ready for students who require a higher level of challenge.

| Yes | No | Maybe |

13. I have practiced recording, trimming, compressing, and storing a 30 minute video.

| Yes | No | Not Yet |

14. I have identified how many video clips I need to have for my entire edTPA. How many?

| |

15. I collected the appropriate permissions to record my students.

| Yes | No | Not Yet |

16. I have identified which lesson I will likely use for my main clip demonstrating my abilities to instruct my students. Which lesson?

| |

17. I have brainstormed ways to capture my student's voices that demonstrates their learning during the lessons I am recording.

| Yes | No | Not Yet |

18. I understand that editing my video will result in a condition code, and I will have to pay at least $100 more to resubmit my edTPA.

| Yes | No | Maybe |

19. I understand that it is my professional responsibility to not share my video on any public website.

| Yes | No | Maybe |

20. In most cases a second instructional video clip is required. I have identified how my second clip will be different from my first clip.

| Yes | No | NA |

21. I understand that the learning environment and my rapport is an expectation I will need to articulate. Specific moments of positive and productive instruction have been considered.

| Yes | No | Maybe |

22. I understand that in my video clip(s) student responses and student voice is just as important as my voice.

| Yes | No | Maybe |

23. I have identified the work samples that I will be collecting from my students. What medium of work sample will you be submitting? (video, paper, picture)?

| | | |

24. My evidence of feedback is required in video form, and I have brainstormed how I will capture both my assessment and my feedback to the student(s) in an appropriate manner.

| Yes | No | NA |

25. The chosen assessment demonstrates my students thinking or performance rather than recall of information.

| Yes | No | Maybe |

26. The assessment I chose to use to provide evidence of feedback will allow me to offer quantitative and qualitative feedback.

| Yes | No | Maybe |

27. I recognize that my work samples and evidence of feedback submission could be the same documents/video clips.

| Yes | No | Maybe |

28. I know which evaluation criteria I will submit to show the expectations I have for my student's performance on the assessment.

| Yes | No | Maybe |

29. I have an idea of which student(s) I will use as my focus student(s) and why I have specifically chosen him or her.

| Yes | No | Maybe |

30. I have logged into my Taskstream account and I have seen the format in which I will be submitting each of the edTPA artifacts.

| Yes | No | Not Yet |

31. I have read the evidence chart and I understand the amount and types of files that are required for each of the edTPA artifacts.

| Yes | No | Not Yet |

32. I understand if I mistakenly break one of the rules the edTPA handbook has set that it is likely that I will receive a condition code and will be required to pay for and submit one, two or all three tasks again.

| Yes | No | Not Yet |
